San Francisco, CA 94103-6701

Attention: Ms. Tashia Clemons

Attention: Ms. Dominique Paukowits

Dear Ms. Clemons and Ms. Paukowits:

With this letter, the California Department of Transportation (Caltrans) transmits Administrative Modification No. 13 to the Rural non-Metropolitan Planning Organization area portion of the California 2017 Federal Statewide Transportation Improvement Program (FSTIP). This modification increases the programming capacity in the amount of \$1.765 million that relies on the State's federal programming capacity. The financial plan will be updated to reflect this change in the next FSTIP amendment.

Administrative Modification #12 modifies the programming of the following grouped project listings in various counties:

Proj #1: CTIPS ID 230-0000-0134, Grouped Projects for Safety Improvements – State Highway Operation and Protection Program (SHOPP) Mandates – increases the total funding by \$910,000 in Federal Fiscal Year (FFY) 19/20 consistent with approved SHOPP Amendment 16H-014 and revises the detailed backup listing of projects.

Proj #2: CTIPS ID 230-0000-0067, Grouped Projects for Safety Improvements – SHOPP Mobility Program – increases the total funding by \$551,000 in FFY 18/19 consistent with the approved SHOPP Amendment 16H-014 and revises the detailed backup listing of projects.

Proj #3: CTIPS ID 230-0000-0069, Grouped Projects for Pavement Resurfacing/Rehabilitation – SHOPP Roadway Preservation – increases the total funding by \$1.995 million in various FFYs and revises the detailed backup listing of projects.

Proj #4: CTIPS ID 230-0000-0361, Grouped Project Listing for Capital Assistance – FTA 5311 and 5311(f) – reduces the total funding by \$730,000 to correct those projects funded by FTA 5311(f) and revises the detailed backup listing of projects.

Mr. Vincent P. Mammano/Mr. Leslie T. Rogers

Page 2

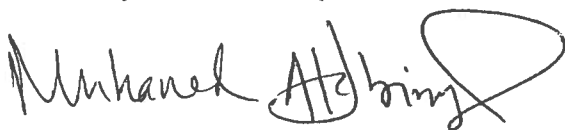

Proj #5: CTIPS ID 230-0000-0241, Grouped Project Listing for Operating Assistance to Transit Agencies – reduces the total funding by \$961,000 to correct the projects funded by FTA 5311(f) and revises the detailed backup listing of projects.

These changes are consistent with the FSTIP Amendment and Administrative Modification Procedures and have no impact on the rural non-MPO financial constraint or air quality conformity. In addition, there are no projects in this administrative modification that are included in any other amendment that is currently open for public review.

Since administrative modifications do not require Federal Highway Administration (FHWA) and/or Federal Transit Administration (FTA) approval, these changes have been incorporated into California's 2017 FSTIP. Please note that the approval of this modification does not constitute an eligibility determination of projects for federal funding.

If you have any questions or comments regarding this modification, please contact Lilibeth Green of my staff, at (916) 654-3521.

Sincerely,

A handwritten signature in black ink, appearing to read "Muhaned Aljabiry". The signature is stylized with a large, looping flourish at the end.

Muhaned Aljabiry, Chief
Office of Federal Transportation Management Program
